

Would you like up to 75% worth of funded training for your business from DfE?

The Skills Focus Programme offers a tailored training solution for small to medium enterprises to up-skill their staff. The Department for the Economy supports various programmes and funds up to 75% of the cost of selected non-mandatory training programmes which are:

- > Open to private companies with less than 250 staff
- > Support is available for accredited training at level 2 or above
- > New programmes can be designed to suit your needs
- > Delivery can be tailored to meet your company's requirements and delivered at your premises
