Skills Focus

Assisting your business is our business.

Industry Upskilling, Bespoke Customised Training, Technical Mentoring, Knowledge Transfer and research Development (r&D).

Save up to 75% off your Training Costs

Under the Skills Focus DEL Funded initiative the North West Regional College can provide accredited bespoke training aimed at up-skilling employees within your business. The North West Regional College will provide your business with a free training need analysis service that will identify your specific skills gaps and work with you to plan a programme aimed at bridging those skills gaps. Training will be tailored at a time and place that suits your business needs and can be delivered on College premises or your business premises.

The North West Regional College will plan a bespoke solution that can be a short intervention or a longer term programme depending on your business needs.

Programmes include the following:

- Engineering – Welding, AutoCAD and Lean Manufacturing Business Improvement Techniques
- Built Environment – HETAS Installer Training and OFTEC Oil Fired Training
- Tourism and Hospitality – Barista Coffee Art, Cocktails, Food Safety, Customer Service and Spectator Safety Training
- Health and Social Care – Health and Social Care Diplomas, Clinical Healthcare Support, Specialist Dementia Care, End of Life Care and First Aid training
- Science- Pharmacy Services Level 2
- Business and IT – Team Leading, Coaching and Mentoring, Leadership and Management, Microsoft, Web Development and E-Marketing training
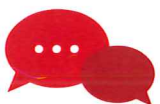

The above is only a short overview of what can be achieved please get in contact to explore further options.

To be eligible for the funding you must be:

- Registered private limited company
- Under 250 employees
- Training must be accredited at level 2 or above
